

# Contacting Upstream Developers

## GoToSocial

(copied from the [readme](#))

“ For questions and comments, you can [join our Matrix space](#) at `#gotosocial-space:superseriousbusiness.org`. This is the quickest way to reach the devs. You can also mail [admin@gotosocial.org](mailto:admin@gotosocial.org).

For bugs and feature requests, please check to see if there's [already an issue](#), and if not, open one or use one of the above channels to make a request (if you don't have a Codeberg account).

## Akkoma

(from [docs page](#))

“ For support or general questions, pop over to `#akkoma` and `#akkoma-dev` at [irc.akkoma.dev](irc://irc.akkoma.dev) (port 6697, SSL)

For more general meta-discussion, for example discussion of potential future features, head on over to [meta.akkoma.dev](https://meta.akkoma.dev)

issues and pull requests can be filed on the [upstream repository](#).

## Pillbug

Issues can be filed on [github](#).
