Using the League

Welcome to the Website League! Now that you're here, you probably want to know how it works.

Using a Frontend

Sometimes you have one already, other times you need to find one. Very mysterious

Using a Frontend SPECIAL: Pillbug

Ok *now* it's Cohost 2

A brief primer on markup

So you remember when people used to use funky unicode tricks to get Twitter to do italics, bold text, etc? It's like that but extremely not at all

Using other League resources

You'll want to sign up via authentication and then you can get into other things. Most of them you can do even if you're not a steward, and you'll want to sign up for sure if you're considering stewardship.
